

## Club Outings

The following is a calendar of events/outings that club members can participate in. As you will notice, several of them do not have ghillies assigned to organize the activity. In some cases, that is not necessary, but in others we really need members to step up and volunteer to help out.

### July

#### Leech Lake

One of two popular roadside mountain lakes adjacent to US 12 at White Pass. Leech is a 40 acre lake at 4412 feet elev. West of Dog Lake. Leech is restricted to flyfishing only. Stocked with Brook Trout and triploid Rainbows. It has a primitive FS Campground, outhouses, boat launch, no gas motors. Good for float tubes, pontoon boats, car-top boats.

This trip will be ghillied by Bill Aubrey on July 26. Contact him at 253 678 3683.

The high country lakes around the Mt Adams area will be open. As mentioned above in June, several lakes and also rivers are available. Coldwater Lake, and the rivers that run off of the Mt. St. Helens area are worth exploring.

The Olympic Peninsula provides many lakes and streams. Anyone interested in leading a trip, call me and we can research out some places.

The FFF will be holding their annual meeting from July15-19. It will be Whitefish,Mt. This is a tremendous event with activities for everyone. Contact any FFF member, i.e. Larry Gibbs, Mike Clancy, and many of our club members. Announcements will be made in the newsletter

### August 3<sup>rd</sup>

Cady Lake Manor

This is traditionally our time for the club picnic.

Plan on attending. More information will be in the newsletter.

### September

September 27---28 John and Kathy Clark will be hosting a camp-in and fishing weekend at their property near Toledo, Wa. Plan on fishing Coldwater Lake, floating the Cowlitz River, or Swofford Pond for Bass,

Bluegills, etc. Saturday evening will be a potluck dinner, campfire, and lots of stories. Last year was a great success. Don't miss this one. Contact Jerry Fremont at 253 230 8699.

## **October**

The big trip this month will be to the Yakima River. We will make reservations at Red's, but there are many other facilities available along the river. Dates will be announced in the newsletter.

## **November**

Last year we had a very successful trip to the Hood Canal for Sea Run Cutthroat. The members had a great time. We all met in Allyn, Wa. And spread out from there. Details for this years trip will be available later.
