

## Hatches & Tactics for Streams and Stillwaters

*A One-Day Workshop by Rick Hafele*

**Saturday - March 27, 2010**

*Offered by the Puget Sound Fly Fishers*

### PROGRAM

**9:00 – Noon** Slide show covering the major stream hatches of Mayflies, Stoneflies, Caddisflies and Diptera (midges) and tactics that imitate them such as nymphing, emergers, and dries.

**1:00 – 3:00** Fly Fishing Western Lakes - This will cover the key hatches common to western lakes, how to imitate them and what tactics to use.

**3:00 – 3:45** Five Mistakes You Don't Need To Make. This is a lighthearted slide show summary of common mistakes that can easily be avoided to improve one's success.

**Royal A. Gove Masonic Lodge 230**  
3736 So. Sheridan Ave. Tacoma, WA 98408

**\$40.00 PSFF Members**

**\$55.00 Non-members**

**Add \$10.00 after March 20, 2010**

Rick Hafele's formal education and professional expertise exceptionally qualifies him to teach this workshop. He has published extensively and his DVDs are well known. The Puget Sound Fly Fishers is very proud to offer this special class.

This event will help fund PSFF conservation projects and is a great opportunity to learn from this nationally recognized flyfishing expert.
